

Publication Opportunities for Papers from the 5th ZORH

Research papers presented at the 5th ZORH conference have the opportunity to be published in the following journals:

1. Chemistry in Industry

The journal will feature a special issue dedicated to the ZORH conference, and some papers will be published in this issue. It is indexed in the Web of Science™ Core Collection - Emerging Sources Citation Index (ESCI). Publication is free.

Journal Link: <https://hrcak.srce.hr/kui>

Application Form: <http://silverstripe.fkit.hr/kui/autori/prijava-rada/>

Guidelines for Authors: <http://silverstripe.fkit.hr/kui/autori/upute-autorima/>

Note: In the paper or cover letter, mention that it is for the special issue of *Chemistry in Industry* related to the ZORH. Please propose at least three reviewers who are not from the author's institution.

2. The Holistic Approach to Environment

This interdisciplinary journal covers topics such as air, soil, and water protection, waste management, energy efficiency, renewable energy, hazardous substances' impact on humans and nature, and bioethics.

Journal Link: <https://hrcak.srce.hr/en/hae>

3. Journal of Sustainable Technologies and Materials

This journal focuses on materials and technologies that promote sustainable development.

Journal Link: <https://jstm.unze.ba/>

Guidelines for Authors: <https://jstm.unze.ba/page/instructions-for-authors>

4. Environmental Engineering - Inženjerstvo Okoliša - publishes scientific, professional, and other papers in the interdisciplinary field of environmental engineering. The topics covered by the journal include geotechnical engineering, water resources management, technical aspects of environmental protection, and other related areas of research.
